Jubilee Platinum Plc

("Jubilee" or "the Company")

Jubilee commences platinum production

The Directors of AIM-quoted and AltX-listed Jubilee, the Mine-to-Metals company, are pleased to announce the commencement of production of platinum concentrate at its Heric operations. Commissioning and ramp-up of the fully integrated chrome and platinum Heric operation commenced during March 2017. The ramp-up of the operation remains on schedule with the commencement of the first platinum concentrate production.

The first platinum production is a significant milestone for the Company and confirms its strategy to become a significant player in the platinum industry.

Further details of the Company's projects and performance will be included in the Group's unaudited interim results for the 6 months ended 31 December 2016 which is due for release before 31 March 2017.
